

WHO IS ACHSC?

VISIT OUR WEBSITE – WWW.ACHSC.ORG

- Network of over 300 people with interest in health promotion for school-aged children & youth
- **VISION:** Every school-aged child or youth is a part of a healthy school community.
- **MISSION:** Promoting and fostering healthy school communities through a comprehensive school health approach that enhances the health of Alberta children and youth.

WHAT DOES ACHSC DO?

Stakeholders as partners in network development and knowledge exchange

- Participates in research, evaluation and surveillance with respect to creating and sustaining healthy school environments in Alberta
- Creates partnerships, linkages and networking opportunities to support healthy school communities
- Hosts presentations, guest speakers and school health conferences
- Develops background and planning documents
- Maintains a website for knowledge sharing

MEMBERSHIP

- Membership to ACHSC is free and includes:
 - Quarterly communications via e-mail about comprehensive school health in Alberta
 - Notice of upcoming events
 - Opportunities to network with key school health stakeholders
- A full list of ACHSC Board Members is available on www.achsc.org
